Planning Commission member Keith Marvin made a motion to table the consideration of the final plat to Saturday, July 23, 2022. Planning Commission member Jim Vandenberg seconded the motion. The motion carried. Greg Aschoff: Yea, Pam Kabourek: Yea, Keith Marvin: Yea, Jim Masek: Yea, Brian Small: Yea, Jim Vandenberg: Yea. Yea: 6, Nay: 0.

Planning Commission member Keith Marvin said, "I will give you a run down of why we need to have a special meeting on July 23, 2022. I have been tasked with giving Michael Sands, our TIF Attorney, all the information. There will be an area in the north part of town that will be put into a Redevelopment area that has already been blighted, what this allows us to do, and we have to do this by August 1st. So, what the city is going to do on that is when we create that and notify the Assessor, any kind of valuations in that district is defined, go up. The city gets to capture all those additional revenues to help with specific public improvements. Specifically, long range it is to get us to the sewer system."

City Clerk Tami Comte added, "It is to improve the wastewater treatment plant."

Planning Commission member Keith Marvin added, "But, also being driven by things that are up in that area too."

City Clerk Tami Comte said, "The EPA is really driving us to do something, or we will have huge fines."

Planning Commission member Keith Marvin added, "Within this district we are not including any of the Timpte Corporate area or any of the Akrs new site because those are different TIF Projects. We can't go on top of the TIF that is already there. If a project were to come and want to be added as a TIF project in that area, we can amend the redevelopment plan to eliminate that land out of there. The actual plant for Timpte is actually in this area, and there is no TIF on that right now."

Discussion continued. A special meeting will be held on Saturday, July 23, 2022, at 8 a.m. at the new City Office at 490 E Street, David City, NE 68632.

Planning Commission member Keith Marvin made a motion to adjourn. There being no further business to come before the Planning Commission, Chairman Jim Masek declared the meeting adjourned at 8:20 a.m.
